

UNIVERSITÀ DEGLI STUDI DELL'AQUILA

Prof. Nader Jand

Curriculum scientifico

(Aggiornato il 24/08/2017)

Current position: Researcher at University of L'Aquila, Department of Industrial Engineering, Information and Economy.

Education: Ph.D., 1999, University Federico II, Naples. M.s., 1995, University of L'Aquila.

Professional Experience: lecturer of:

General chemistry; Chemical Engineering Thermodynamics; Process synthesis, Analysis and, Chemical plant design.

Research Interests: Chemical Engineering Thermodynamics;

Gas-solid fluidization, Process Modeling and Simulation; Biomass gasification, Molecular Transport phenomena.
